

1992

David Frost had to wait out an hour-and-a-half, Sunday rain delay before winning the first of two straight HGC titles. Thanks in large part to an opening round 62 that tied the tourney's first-round scoring record, Frost opened Sunday with a five-shot lead and finished a 2-over round of 72 in near darkness and in front of just a few thousand fans. Emerging stars Loren Roberts and Tom Lehman finished three shots behind, the best finish of either's career to that point.
