

# 1994

Mark McCumber bested fellow third-round co-leader Kenny Perry by a shot for one of three wins in the best year of a solid career. McCumber, a 10-time winner on Tour, closed the year with a victory at the Tour Championship and finished third on the '94 money list. Finishing third in the last of nine Hardee's Golf Classics was David Frost, who was bidding to become just the 10th player in PGA Tour history to win the same event three straight years.
