

# 1995

Future TPC at Deere Run player design consultant D.A. Weibring became the only three-time winner in Q-C tourney history by winning the only three-round event in tourney history. He nudged Jonathan Kaye when Weibring's mud-sparkled ball caught the right edge of the cup and fell for an 18th-hole birdie. The tournament became a 54-hole event after rain and near freezing temperatures forced the suspension of Thursday's afternoon draw. The second round resumed on Friday in 40-degree temperatures.
