

1998

Former U.S. Open champion Steve Jones won a Sunday shootout with a 4-under 66 to become the second player to win a Quad-Cities title after winning a major title. The first was two-time PGA Championship winner Dave Stockton, who won the 1974 Quad-Cities Open at Crow Valley in Bettendorf, Iowa. Jones, who has five top-10 Q-C finishes, bested Scott Gump by a shot to the win the last of four tournaments known as the Quad-City Classic.
